How are you and Miss  
Milner? Was sending photos  
as thought of you. ~~Since~~  
was down to see no today.  
So going to sail to Cali-  
fornia a week from today.  
It has been raining all  
of the week here so we  
could not get out much  
and only my hair felt so  
much like a beating as any  
thing. Love to all yours
